Learning Japanese Hiragana and Katakana Kenneth G. Henshall, Tetsuo Takagaki, 2013-12-20 Learning Hiragana and Katakana is a systematic and comprehensive Japanese workbook that is perfect for self-study or use in a classroom setting. Written Japanese combines three different types of characters: the Chinese characters known as kanji, and two Japanese sets of phonetic letters, hiragana and katakana, known collectively as kana, that must be mastered before the Japanese kanji can be learned. Learning Japanese Hiragana and Katakana provides beginning-level students of Japanese a thorough grounding in the basic hiragana and katakana phonetic symbols or syllabaries. A comprehensive introduction presents their primary function, origin, pronunciation and usage. The main body of the book is devoted to presenting the 92 hira and kata characters along with their variations, giving step-by-step guidelines on how to write each character neatly in the correct stroke order, with generous practice spaces provided for handwriting practice. This Japanese workbook includes: Systematic and comprehensive coverage of the two Japanese kana systems. Ample provision for Japanese kana practice, review, and self-testing at several levels Detailed reference section explaining the origin and function of kana, and the various kana combinations. Access to online Japanese audio files to aid in correct pronunciation. Helpful additional information for language students accustomed to romanized Japanese. Vocabulary selected for usefulness and cultural relevance. About this new edition: The new third edition has been expanded and revised to include many additional reading and writing exercises. Accompanying online recordings demonstrate the correct pronunciation of all the characters, vocabulary, and sentences in the book.

Japanese from Zero! George Trombley, Japanese From Zero! is an innovative and integrated approach to learning Japanese that was developed by professional Japanese interpreter George Trombley, Yukari Takenaka and was continuously refined over eight years in the classroom by native Japanese professors. Using up-to-date and easy-to-grasp grammar, Japanese From Zero! is the perfect course for current students of Japanese as well as absolute beginners.

Remembering the Kanji 2 James W. Heisig, 2012-04-30 Following the first volume of Remembering the Kanji, the present work provides students with helpful tools for learning the pronunciation of the kanji. Behind the notorious inconsistencies in

the way the Japanese language has come to pronounce the characters it received from China lie several coherent patterns. Identifying these patterns and arranging them in logical order can reduce dramatically the amount of time spent in the brute memorization of sounds unrelated to written forms. Many of the “primitive elements,” or building blocks, used in the drawing of the characters also serve to indicate the “Chinese reading” that particular kanji use, chiefly in compound terms. By learning one of the kanji that uses such a “signal primitive,” one can learn the entire group at the same time. In this way, Remembering the Kanji 2 lays out the varieties of phonetic pattern and offers helpful hints for learning readings, that might otherwise appear completely random, in an efficient and rational way. Individual frames cross-reference the kanji to alternate readings and to the frame in volume 1 in which the meaning and writing of the kanji was first introduced. A parallel system of pronouncing the kanji, their “Japanese readings,” uses native Japanese words assigned to particular Chinese characters. Although these are more easily learned because of the association of the meaning to a single word, the author creates a kind of phonetic alphabet of single syllable words, each connected to a simple Japanese word, and shows how they can be combined to help memorize particularly troublesome vocabulary. The 4th edition has been updated to include the 196 new kanji approved by the government in 2010 as “general-use” kanji.

Learning Japanese Kanji Practice Book Volume 1 Eriko Sato, Ph.D.,2015-10-27 This is an invaluable study guide and practice book for learning basic Japanese kanji. Learning Japanese Kanji Practice Book is intended for beginning students or experienced speakers who need to practice their written Japanese. Kanji are an essential part of the Japanese language and together with kana (hiragana and katakana) comprise written Japanese. This book presents the kanji characters that are most commonly used. All the kanji and related vocabulary words in this book are those that students are expected to know for Level 5 of the Japanese Language Proficiency Test. (JLPT). Characters that appear in the AP Japanese Language and Culture Exam are flagged. Readings, meanings, and common compounds are presented. The correct method of writing each character is clearly indicated, and practice boxes with strokes that can be traced are provided, along with empty boxes for freehand writing practice. Lots of exercises are included to give students the opportunity to practice writing sentences containing the Kanji. Indexes at the back allow you to look up the characters by their readings and English meanings. This kanji book includes: Step-by-step stroke order diagrams for each character. Special boxes with grid lines to practice writing characters. Extra printable practice grids Words and phrases using each kanji. Romanizations (romanji) to help identify and pronounce every word.

Japanese Short Stories for Beginners Lingo Mastery,2020-08-07 Do you know what the hardest thing for a Japanese learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! You may have found the best teacher in town or the most incredible learning app around, but if you don't put all of that knowledge to practice, you'll soon forget everything you've obtained. This is why being engaged with interesting reading

material can be so essential for somebody wishing to learn a new language. Therefore, in this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Japanese language. How Japanese Short Stories for Beginners works: - Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to learn a bit more about the Japanese culture. - Having trouble understanding Japanese characters? No problem - we provide you with the English translation below each paragraph, allowing you to fully grasp what you're reading! - The summaries follow a synopsis in Japanese and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. Use them if you're having trouble. - At the end of those summaries, you will be provided with a list of the most relevant vocabulary from that chapter, as well as slang and sayings that you may not have understood at first glance! Do not get lost trying to understand or pronounce it all, either, as all of the vocabulary words are Romanized for your ease of learning! - Finally, you'll be provided with a set of tricky questions in Japanese, allowing you the chance to prove that you learned something in the story. Whether it's true or false, or if you're doing the single answer questions, don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while learning Japanese; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Japanese Short Stories for Beginners and level up your Japanese language skills right now!

Bessatsu goishū 日本語の基礎,2009-12 This book is a short-term, quick-learning Japanese conversation course that allows you to immediately learn the Japanese you need in everyday life in the order you prefer, with no need to build up your knowledge. Without the detailed grammatical explanations, you can learn phrases you need, and get familiar with their usage through conversational practice. The main content is written both in Japanese and Romanized characters, so people who cannot read Japanese characters can study together. This book was developed for the short-term survival conversation courses of 20-30 hours at Japanese language schools. Recommended for learners who want to learn practical Japanese for daily life very quickly.

Japanese Grammar: A Workbook for Self-Study Masahiro Tanimori,2021-04-27 If you've mastered the basics of Japanese grammar and are ready to move to the next level, this book is for you! Each of the 12 chapters is devoted to one widely-used sentence structure and its variations. Chapters are broken down into the following easy-to-follow components: Clear presentation of model sentences Breakdown and explanation of the grammar of key sentence patterns Controlled practice exercises, such as filling in the blanks and imitating model sentences Free practice exercises, using the target sentence structure to create your own sentences Reading comprehension practice, of narrative text and dialogues, for consolidation Online audio files recorded by a native speaker are available for all key Japanese dialogues, and all texts are written in Japanese characters with romanized Japanese and English translation--making the book accessible even for students who have not yet mastered Japanese script. The book is illustrated throughout with drawings that reinforce the meaning of the written text. Japanese Grammar: A Workbook for Self-Study is ideal for anyone studying for the JLPT N3 test, or the AP Japanese Language and Culture test. It is perfect for post-beginners who want to move quickly to the next level, and for intermediate students who want to review and perfect their grammar skills.

Modern Japanese Grammar Workbook Naomi McGloin,M. Endo Hudson,Fumiko Nazikian,Tomomi Kakegawa,2014-05-09 The Modern Japanese Grammar Workbook is an innovative book of exercises and language tasks for all learners of Japanese. The book is divided into two parts: Section A provides exercises based on essential grammatical structures Section B practises everyday functions (e.g. making introductions, apologizing, expressing needs). All sentences are written both in

Romanization and in the Japanese script and a comprehensive answer key at the back enables the learner to check on their progress. Key features of the book include: Exercises graded on a 3-point scale according to their level of difficulty Cross-referencing to the related Modern Japanese Grammar Topical exercises drawn from realistic scenarios to help learners develop their vocabulary and practical communication skills Opportunities to practise both written and spoken Japanese. Modern Japanese Grammar Workbook is an ideal practice tool for learners of Japanese at all levels. No prior knowledge of grammatical terminology is assumed and it can be used both independently and alongside the Modern Japanese Grammar (ISBN 978-0-415-57201-9), which is also published by Routledge.
